

Cents

Ty Segall

Listen to the haircut and get out of the sad and low
Shake another peach tree, see if you can see it there

Oh, don't you go away again
Oh, don't you go away again

You've got a lot of nerve, presently I'm too upset
Shake another peach tree, see if you can see it there

Oh, don't you go away again
Oh, don't you go away again
