

## Come Outside

Ty Segall

Won't you come inside? Hey, I won't mind  
Don't try to hide, you come inside  
Do you spend your time inside your mind?  
Are you finding time to

So come along and carry on, and come with me, one day we'll go,  
oh

Won't you come inside? Hey, I won't mind  
So try to hide with me, and hide with me

So come along and carry on, and come with me, one day we'll go,  
oh
