

## Cry Cry Cry

Ty Segall

You said it's over, baby  
I watched you cry  
You said you found someone  
Enough to try, oh  
You said you wanted out  
But you changed your mind  
And now you're crying tears  
That have made you blind

So don't you take my brother away  
So don't you take my brother away

You say it's true love  
Like those angels from above  
But those tears fall from all high  
You'll just go ahead and cry

I know you feel sorry  
But you need to know  
That I don't want to hurt you  
So I let you go, oh  
You said you wanted out  
But you changed your mind  
And now you're crying tears  
That have made you blind

So don't you take my brother away  
So don't you take my brother away

You say it's true love  
Like those angels from above  
But those tears fall from all high  
So you go ahead and cry, cry

Cry (cry, cry)...
