I don't wanna go out with you
I just wanna go out with you tonight, alright, tonight
Suzy says she wants to go out with you
Skeeter says she wants to go out with you tonight, alright, tonight

There's a party out across town
Where all the pretty-pretty people hang around
Oh-oh, oh-oh, oh-oh-oh-ohh

Suzy says she wants to go out with you
Skeeter says she wants to go out with you tonight, alright, tonight

I just wanna go out of here
I never wanna go out of here tonight, alright, tonight
I just wanna go out of here
I never wanna go out of here tonight, alright, tonight

There's a party out across town
Where all the pretty-pretty people hang around
Oh-oh, oh-oh, oh-oh-oh-ohh
Oh-oh-oh-ohh, oh-oh-oh-ohh, oh-oh-oh-ohh
