

## Don't You Want To Know? (Sue)

Ty Segall

Oh Susie Thumb  
Your life's just begun  
Don't you wonder so?  
How it will go?  
I want to know  
Your momma she wants you home  
And Jannie she's so cold  
She's wondering so  
How it will go  
Don't you want to know?
