

Eggman

Ty Segall

Ay (ay) do you hear what I say?
Would you look at your face?
Your mouth's agape
And caked with eggs

Ay (ay) I'm talking to you
Do you know what you do?
You sit and rot
Your mind with thought

Ay (ay) you did it again
Your skin is too thin
Repetition
Again, again

Wait (wait) you made a mistake
Would you look at your face?
Again forbidden
The wrong decision

Ay (ay) do you hear what I say?
Would you look at your face?
Your mouth's agape
And caked with eggs

Ay

Would you look at your face?
