

# Finger

Ty Segall

Finger on it  
Finger on it  
Ooh, ooh, ooh, ooh

Finger on it  
Finger on it  
Ooh, ooh, ooh, ooh

I saw it on the tip of my finger  
I got it  
What was in it was all in your figure  
I sought it

Finger on it  
Finger on it  
Ooh, ooh, ooh, ooh

You got it right there on your finger  
You got it  
It's a ringer giving love like a planet  
You got it
