

# Good Boy

**Ty Segall**

Lipstick and pancake [?]  
Queen of [?]

I'm allowed to love you  
No matter where we are  
We are who we say we are

He's a good boy, she's a good boy  
We are good boys now  
He's a good girl, she's a good girl  
We have always been  
We are people now

We see oceans baby blue  
We see oceans baby blue  
We see oceans baby blue
