

# Hi Dee Dee

**Ty Segall**

I'm only singing when you're laying  
I'm only speaking when you're not around  
I'm only hearing what you're saying  
I'm only singing when you're laying down

I'm singing, "Hi, Dee Dee"  
I'm singing, "Hi, Dee Dee"  
I'm singing, "Hi, Dee Dee"

You'll play the bass  
And bring it down  
I'll take it up  
You'll bring it down

I'm singing, "Hi, Dee Dee"  
I'm singing, "Hi, Dee Dee"  
I'm singing, "Hi, Dee Dee"

You'll play the bass  
And bring it down  
I'll take it up  
You'll bring it down

I'm singing, "Hi, Dee Dee"
