

I Hear

Ty Segall

Listening, I hear depression
Decay, no notes registered
Tones, isolation
Pressure, uncontrollable fear
I can't sing loud enough
I hear

When she sings a song and looks back at me
I think I'll maybe
Look

Isolation, pressure, fear
I can't sing loud enough
I hear

But when she sings a song and looks back at me
I think I'll maybe
Listen to the song she gave me
Listen to the song she gave me
