

# Isolation

**Ty Segall**

People say we've got it made  
Don't they know we're so afraid?  
Isolation

We're afraid to be alone  
Everybody's got to have a home  
Isolation

Just a boy and a little girl  
Trying to change the whole wide world  
Isolation

The world is just a little town  
Everybody trying to put us down  
Isolation

I don't expect you  
To understand  
After you've caused  
So much pain  
But then again  
You're not to blame  
You're just a human  
A victim of the insane

We're afraid of everyone  
We're afraid of the sun  
Isolation

The sun will never disappear  
But the world may not have many years  
Isolation  
Isolation!
