

It's Over

Ty Segall

To the lights
There is a sign
To the center of your divine
Follow it on down
To the bottom the center of the ground
Oh please say to me
That you'll stay there
'Til you're free
Oh no, you won't grow
Oh no, oh no, oh no
Oh, oh please

It's over, it's over
Oh, old friend, oh, it's over
It's over, it's over
Oh, old friend

You said it's okay
That you can grow another day
I know you won't grow
I know, I know, I know, I know
Oh no, oh no
Please.....please!!

It's over, it's over
Oh, old friend, oh, it's over
It's over, it's over
Oh, old friend
