

Lovely One

Ty Segall

See what you're saying is, you know I'm never true, it's not like that

See what you're saying is, you know I love you too, it's not like that

Aah-hoo, aah-hoo, aah-hoo

I got a favorite one, I got a favorite one, you know, oh, lovely one

I got a favorite one, I got a favorite one, you know, oh, lovely one

See what you're saying is, you know I'm never true, it's not like that

See what you're saying is, you know I love you too, it's not like that

Aah-hoo, aah-hoo, aah-hoo

I got a favorite one, I got a favorite one, you know, oh, lovely one

I got a favorite one, I got a favorite one, you know, oh, lovely one
