

## Pan

Ty Segall

You are one of the people that I love  
You are one of the people that I'm thinking of  
Oh please  
Please forgive me  
I don't to want fly  
I don't to want fly  
I don't to want fly with you no more

You are one of the people  
I've been through  
I know the reason  
You did what you do

Oh please  
Please forgive me  
I don't to want fly  
I don't to want fly  
I don't to want fly with you no more, ah
