

## Queen Lullabye

**Ty Segall**

Oh traveller of the Moon, if you see my girl tell her to come back soon  
She's a red-headed queen, she ain't very mean, oh traveller of the Moon  
Oh traveller of the Sun, have you seen my head on the run?  
It's a big old balloon, ain't come back too soon, oh traveller of the Sun  
Oh, father, father, time, please don't cry, please don't cry  
Your daughter, she's just fine, in your mind and in my mind  
Your daughter she's just fine
