

Sweet C.C.

Ty Segall

You're so crazy, you're so high
Like a Daisy, oh, you're making the whole world cry
It's so lazy, I'm so down
You keep after, yeah, you're spinning me round and round
Yeah, you're spinning me round and round

Oh, sweet C.C., you're not for me, you're not for me
So leave me be, my sweet C.C, my sweet C.C.

Oh I feel, oh I cry
And it's real, all the feelings up in the sky
Don't you know we will go
So far down in a big hole underground
In a big hole underground

Oh, sweet C.C., you're not for me, you're not for me
So leave me be, my sweet C.C, my sweet C.C.
