

Talkin 3

Ty Segall

I heard you talking about your friends
You said you don't love none of them
I heard you screaming about your friends
You said you don't like none of them

I think you're talking about yourself, yeah...

I heard you screaming about Sammy Cross
You say you don't like a big mouth
I heard you're jealous about Phillip Jean
You say you don't like [?]

I think you're talking about yourself, yeah...

Talking about yourself, about yourself...
