

## Tommy's Place

Ty Segall

Went to see a movie  
Face wasn't [?]  
I think I'm going to pop  
I don't think I could stop  
Mother nature's milk

Somebody clog the drain  
Some one put on some clogs  
Walk through a wall and a moth

To Tommy's place  
Where they treat me great  
Where I don't need cash  
And I eat my plate  
And my friends are there  
And I have a date

La la la...

Tommy's place, Tommy's place  
Tommy's place, Tommy's place  
Tommy's place, Tommy's place  
Tommy's place, Tommy's place
