Warm Hands (Freedom Returned)

Ty Segall

As I was waiting on the grassy field
My fingers walking all alone
To use my muscles felt impossible
I need replacements for my bones
He said he wanted to talk to me
"Come here, let me take you home"
My hands, they feel warm
My car can run

He can show you where
He'll arrange it
He can show you how to be famous

It's complete
Now you're pretty
Ain't it neat?
Let's take you to the city
Don't be sweet
My little flower
Just complete
I'll pay you by the hour

I wasted life wondering why
I was working for you
Now I see clear and have no fear
I know what I must do

I'm gonna give you one
I'm gonna give you some
Shame
Shame
Shame

I grab your lists with my fists
I know what you're able to do
Now I see clear, have no fear
I know what I must do

I'm gonna give you one
I'm gonna give you some
Shame
Shame

Shame
Shame

Oh, I feel everywhere
It is clear
I'm not scared
Now I breathe every air
It's in here
I'm not scared
