

You're Not Me

Ty Segall

I look in the mirror
Almost every day
Who is this man
Looking my way?

I look in the mirror
Tell me what do I see?
I know it's not me
Man of mystery

Who are you?
Who are you?
Who are you?
You're not me

I look in the mirror
Tell me what do I see?
I know it's not me
Man of mystery

You know I've done wrong
You know I've done right
But lord help me
I put up a fight

Who are you?
Who are you?
Who are you?
You're not me

Who are you?
Who are you?
Who are you?
You're not me

Yeah, you're not me
Yeah, you're not me
Yeah, you're not me
Yeah, you're not me
