

Gonna Be

Ty Dus

Hahahahaha

Everybody, okay, go, yeah

Listen up, let me tell you 'bout my dreams (Uh-huh)
I'ma make a wish, whatever I please (Come on)
When I grow up, don't wanna be nobody else
Never duplicated, I'm gonna be myself (Me)
Vision so clear, I see it up in 3D (Uh-huh)
Spread love, got my family all around me (Yeah)
Study hard and I'm growin' up strong
Time to turn it up, DJ, play this song (Woo)

Every day, every way, getting better
Follow me, life's a game gonna play it (Go)
Havin' fun when we're young, that's forever (Yeah)
So gonna be myself (Uh-huh)
Livin' my life, doin' it my own way
Growin' up, yeah, it's time to do my own thing (Go)
One and only, never gonna change me (No)
'Cause, gonna be myself (Be)

All the people askin' who I'm gonna be (Uh-huh)
Me, yeah, I'm gonna be me (That's me)
Everything is realistic if you put your mind to it
I'm like a pair of Nikes 'cause I just do it (I do it)
Put me in the game, I'm battin' up next
I'm flying to the moon, so call me Space X
I'm standing on the stage, everybody, watch me (Everybody)
Made my own lane, I don't gotta copy (Woo)

Every day, every way, getting better
Follow me, life's a game gonna play it (Go)
Havin' fun when we're young, that's forever (Yeah)
So gonna be myself (Uh-huh)
Livin' my life, doin' it my own way
Growin' up, yeah, it's time to do my own thing (Go)
One and only, never gonna change me (No)
'Cause, gonna be myself (Be)

Never grow up, never gonna grow up
Do my own thing, gonna do my own thing
Every moment, livin' in the moment
Gonna be my, gonna be myself, yeah
Never grow up, never gonna grow up
Do my own thing, gonna do my own thing
Every moment, livin' in the moment
Gonna be my, gonna be myself, yeah

Every day, every way, getting better
Follow me, life's a game gonna play it
Havin' fun when we're young, that's forever
So gonna be myself (Uh-huh)
Livin' my life, doin' it my own way
Growin' up, yeah, it's time to do my own thing
One and only, never gonna change me
