

## Ice Cream

Tydus

Hey, everybody, do you know what time it is? (Yeah)  
It's ice cream time (Woo), let's go

I got the cookie dough, I wanna say hello  
Chocolate or vanilla, Tydus is your fella  
Scoopin' it cold, coolest four-year-old  
Cookies and cream, that's my dream

Ice cream, ice cream, I be sellin' ice cream  
I be makin' ice cream, icy, icy, ice cream  
Ice cream, ice cream, I be sellin' ice cream  
I be makin' ice cream, icy, icy, ice cream

I scream (Woo)  
You scream (Ahh)

Mint chocolate chip, watch me do the dip  
Let's get strawberry, I love it with a cherry  
Taste buds explode when I eat the rocky road  
My day is lookin' up after peanut butter cup  
I want a waffle cone, watchin' Game of Thrones  
When I need a snack, give me moose tracks  
Snow cones, Gelatos, Oreos, I got those  
Double scoop? I'm on that, let's chill out and play that

Ice cream, ice cream, I be sellin' ice cream  
I be makin' ice cream, icy, icy, ice cream  
Ice cream, ice cream, I be sellin' ice cream  
I be makin' ice cream, icy, icy, ice cream

I scream (Woo)  
You scream (Ahh)
