

# Better

Tye Tribbett

[Verse 1:]

When I'm low and feeling down and I get discouraged  
Overtaken by the weight of all the things I've carried

[Bridge:]

It seems  
The only faithful thing is (ME)  
I feel alone in the (struggle)  
My life is flooded by all the (pain)  
I'm burdened down by all the (trouble)

Then I realize, I still have you

[Chorus:]

You make all things better  
Being with you makes all things better

[Verse 2:]

When the darkness closes in and I can't see daylight  
When I'm confused and I don't know what to do with my life

[Bridge:]

The only faithful thing is (ME)  
I feel alone in the (struggle)  
My life is flooded by all the (pain)  
I'm burdened down by all the (trouble)

Then I realize, I still have you

[Chorus:]

You make all things better  
Being with you makes all things better [repeat]

[Vamp:]

I may not be finished  
But I'm getting better  
Still may have some scars  
But you make it better

I may not be healed  
But I'm like the lepers  
As long as I keep on walking  
You make it better

The past is behind me  
I'm moving ahead  
The road may not be easy  
But you make it better

[Chorus:]

You make all things better  
Being with you makes all things better

Better  
Better  
Better  
Better

[1/2 step:]

Better

You make it better

With you is better

Everything's better

[1/2 step:]

Better

You make it better

With you is better

Everything's better

Better

Better

Better

Better
