

Craving

Tye Tribbett

My soul is reaching out for you
My soul in desperate need of you (Ooh, ooh my Lord) 2x

You are my craving
You are my only desire
You are what I'm longing for
And I only want more
You are my craving
In You I am satisfied
Nothing else can take your place
Nothing else should do

My soul is reaching out for you
My soul in desperate need of you (Ooh, ooh my Lord) 2x

My soul is reaching out for you
My soul in desperate need of you (Ooh, ooh my Lord) 2x

You are my craving
Gotta have you daily
Gotta have your Spirit
Don't ever take Him away
I hunger and I thirst for you
Only you can fill me up
Less of me and more of you
Let it overflow

My soul is reaching out for you
My soul in desperate need of you (Ooh, ooh my Lord) 4x

Say ooo (ooooooooohh)
Say ooo (ooooooooohh)
Say ooo(ooohh oh oh oooh)
We cry out (ooooooooohh)
We cry out (ooooooooohh)
We cry out (ooohh oh oh oooh)
We need you (ooooooooohh)
We need you (ooooooooohh)
We need you (ooohh oh oh oooh)
We want you (ooooooooohh)
We want you (ooooooooohh)
We want you (ooohh oh oh oooh)
