

Greater Than

Tye Tribbett

Our God does the impossible
Our God He performs miracles
Our God can bring light out of darkness
And our God He can breath life into death

Who can stand against us
If our God is for us
Nothing in this world could ever win
For he is Greater than anything

Our God can take disease from the body
Our God can make a broken heart whole
Our God can settle the storm in the mind
And whatever is wrong only He can make it right

Who can stand against us
If our God is for us

Nothing in this world could ever win

He's greater
He's greater
He's greater.
He's greater.
He's greater
He's greater
Greater than anything

Greater than anything

Our God He's Greater
