Tye Tribbett

Let's go!

From the Earth to the stars  
From the depths of the sea  
Creation reveal your majesty  
From the dust of the ground  
By the works of your hand  
You formed us to man after your image

Your power is second to none  
Your throne is established  
And its everlasting  
You're clothed in majesty (clothed in majesty)

Let the God of creation be praised  
Let the God of creation be praised  
Let the heavens rejoice for he reigns  
Let the heavens rejoice for he reigns  
Lift your praise with your voice to the king  
Lift your praise with your voice to the king  
Blow the trumpet in Zion  
Mighty is He

You spoke into existence  
the world in which we live  
Your creativity is amazing to me  
Oh what a wonder  
You are to me

Your power is second to none  
Your throne is established  
And its everlasting  
You're clothed in majesty (clothed in majesty)

Let the God of creation be praised  
Let the God of creation be praised  
Let the heavens rejoice for he reigns  
Let the heavens rejoice for he reigns  
Lift your praise with your voice to the king  
Lift your praise with your voice to the king  
Blow the trumpet in Zion  
Mighty is he

Oh what a wonder  
The nations will see  
Your glory shall be revealed in all humanity  
Oh what a wonder  
The nations will see  
Your glory shall be revealed in all humanity
