

Out of Hiding / How He Loves / Good Good Father

Tye Tribbett

Come out of hiding, you're safe here with me
There's no need to cover what I already see
You're got your reasons but I hold your peace
You've been on lockdown but I hold the key

'Cause I loved you before you knew it was love
I saw it all, still I chose the cross
You were the one that I was thinking of
When I rose from the grave

Now rid of the shackles, my victory is yours
I tore the veil for you to come close
There's no reason to stand at a distance anymore
You're already loved

I'll be your lighthouse when you're lost at sea
I will illuminate everything
No need to be frightened by intimacy
No, just throw off your fear and come running to me
Yeah

'Cause I loved you before you knew it was love
I saw it all, still I chose the cross
You were the one that I was thinking of
When I rose from the grave

Now rid of the shackles, my victory is yours
I tore the veil so you can come close
No reason to stand at a distance anymore
You're already loved

You're already loved
And so as you're loved
What hindered love
Will only become
Part of your story, so as you run
What hindered love
Will only become part of your story

So as you run
What hindered love
Will only become part of your story
So as you run
What hindered love
Will only become part of your story

Said, I loved you before you knew it was love
I saw it all, still I chose the cross
You are the one that I was thinking of
When I rose from the grave

Now rid of the shackles, my victory is yours
I tore the veil for you to come close
No reason to stand at a distance anymore
You're already loved

You're already loved

You're already loved
You're already loved
You're already loved

You're a good, good Father
It's who You are, it's who You are, it's who You are
And I'm loved by You
It's who I am, it's who I am, it's who I am

You're a good good father
It's who You are, it's who You are, it's who You are
And I'm loved by You
It's who I am, it's who I am, it's who I am
