

The Grass Withereth

Tye Tribbett

The grass withereth,
but the Word of God will stand.
And the flower faded,
but the Word of God will stand.

Time and flesh shall pass away,
but the Word of God will stand.
Earthly things will pass away,
but the Word of God will stand.

This world reels and rocks,
the time is on the clock.
It's not just in our minds,
it's really almost time.
We shall overcome finally as one.
Meet Him in the sky,
(bid this world goodbye)
(in a twinkling of an eye).

Man shall pass away,
nothing on earth will stay.
Nights will turn to day,
darkness will pass away
We shall overcome finally as one.
We'll meet Him in the sky,
bid this world goodbye
in a twinkling of an eye.

Forever is Thy Word,
hear ye this word
and live and live.
Sopranos: oh...
Altos: oh...
Tenors: oh...
Forever is Thy Word,
hear ye this word
and live and live.
Forever and ever is Thy Word,
hear ye this word
and live and live.
