

War (Outro)

Tye Tribbett

War
War
War
This is war

Rise up
Not gonna take no more
Wake up
Time to fight this war
Rise up
Not gonna take no more
Wake up
Time to fight this war

'Cause we are stronger
Than being in the bat
And we have no fear
We got victory
We are stronger
Than being in the bat
And we have no fear
We got victory

Go with me for the distance
Don't let them cross here
We always win
We always, we always win
We always
Always
We always win
Hey, we won't be defeated
Greater is he that's in us
Than he that's in the world
So we won't be defeated
