Tyga

95 like that, like that  
95 like that, like that  
Ninety-five...

95 scholar, straight shots, gold medallion  
Put your number on this paper promise I'mma dial it  
Cute college chick, daddy was a doctor  
Word through the grape vine she datin' a rapper  
Entertainer, Avonlea she never after  
So I entertain her late night with laughter  
High, ten after midnight, it's bedtime  
You could say I stole her heart  
I just call it bedtime  
No rush, just relax your mind  
You are now listenin' to sounds of a better rhyme  
Benz and driver, mosh pit in the lobby  
Girls so horny, that's my type of party  
No ties, mob shit, suits and ties  
Crap table, Vegas, vampire nights  
I'd marry you tonight just to say we did it right  
Waking up with regrets, roll over, she be like:

"Why you never call me back?"  
Sometimes it just be like that  
Can't promise you the world  
but I can promise you half of that  
Sometimes it just be like that  
All the rumors you heard  
I ain't got no time for that  
Shit, I ain't got no time for that  
And you ain't gotta cry, dry your eyes,  
We gon' get through that  
Trust, we gon' get through that  
95 like that

Reservations, call, reserve a table  
I like gator, snake skin, Purple Label  
Polyester, black berretta, who do it better?  
For my niggas caged up, writin' them letters  
Lower level, reportin' live, Channel 11  
No emergency, but I'm in a 9-11  
Falsetto, girl scream, a rare fellow  
Pull up to the scene bumpin' only instrumentals  
And we know it  
Times flies when you fly in first class all the time  
And we know it  
No time for the games, dollar signs on my mind  
And we know it  
Eye for an eye and killa just tryin' to stay alive  
And we know it  
Gotta learn to live or regret, I regret some times

95 like that  
95 like that  
95 like that

Litigations, black faces, lawyers, brief cases

Agents top notch, paid investigations  
Fire Dorf Todd, block shots, Anthony Davis,  
Raww the greatest, acres, no neighbours  
Die so many times, hope we do better next time  
Think about it, dog, next time you drop a dime  
Better ride, said she'd rather fly  
Always asking me the same thing all the time
