

# Death Row Chain

Tyga

My death row chain got a pharaoh face  
Medallion you mad we on  
Yea daddy home  
Little daddy got to put his family on  
Told my mama I'm daddy too  
I give my son the sun and the moon  
Told my son stay out daddy closet  
I got a chopper and it's new  
Yea I got a chopper and it's not a toy  
Told my boy stay out daddy's room

It ain't safe to play  
What I say him I'm a say to you  
It ain't safe to play  
It ain't safe to play  
Safe it ain't  
It ain't safe to play  
AK by the safe so the safe is safe

My death row chain got pharaoh face [x4]  
Might go blind staring in his face  
My death row chain make her toss it up (I ain't my at you)  
My death row chain come floss with us (Live and Die in Los Angeles)  
My death row chain keep talking up (Look for me)  
My death row chain at the Vibe Awards  
Stab a nigga these diamonds hurt  
This ghetto slang my finest work  
Million Dollars in the passenger  
My death row chain make her back it up  
Everyday I look like an album cover  
My death row chain going platinum plus  
My death row chain got them lapping up  
Two seater Benz Puerto Rican twins  
Told'em fassen-up  
Pulled off fast as fuck  
My death row chain keep added up  
Two on me then  
Three on me now  
Four on me now  
She like my death row chains on when we fuck
