Dope'd Up

Tyga

You a rap star, pull your chain out
You a dope boy, pull the brick out
Say it again, money pull the whip out
Say it again, pussy bring a bitch out
I'm the shit you smell through the ziplock
At the strip club you bout to throw you rent out
Got you whole family livin' in a penthouse
You livin' like you trynna get kicked out

I hit the game like a dope'd up needle uh
I hit the game like a dope'd up needle uh
I hit the game like a dope'd up needle uh
Yeah yeah, shootin' dope through the speakers
I hit the game like a dope'd up needle
Grew up with roaches now they treat me like a beetle
I hit the game like a dope'd up needle uh
Yeah yeah, shootin' dope through the speakers

I ain't tippin' these bitches too busy tippin' the scale
Not a few real niggas don't mind sittin' in jail
Gotta healthy bitch grillin fish with the kale
Told a bitch that ain't me, you better fry me some shit
I'm goin' in can't denied me a shit
I don't gotta be alone, I can buy me a bitch
I don't gotta be alone, I have my nigga come through
I have some bitches come through, we can swim in the pool

I hit the game like a dope'd up needle
New Bentley and it's black as Don Cheadle
I hit the game like a dope'd up needle
Yeah, yeah, shootin' dope through the speakers
I hit the game like a dope'd up needle
Grew up with roaches now they treat me like a beetle
I hit the game like a dope'd up needle uh
Yeah yeah, shootin' dope through the speakers

If your bitch got a booty, better squeeze it
I catch her sleepin' and Imma put her on her PJ's
Yeah, I drop a album just cause
Put my shit in rotation, if it's love
I got chinchillas I own everywhere
Keep the old hundreds and the new ones seperated
She gave me brain, she ain't wastin' education
She gave me head, then I asked "wait where you headed?"
I hit the game like a dope'd up needle
And fuck with niggas [?] one feature
I hit the game like a dope'd up needle
I'm in the game, I'm the coach and a player nigga

You can ask your momma, your daddy, your auntie, your favorite rapppers, fav
orite rapper.
I remind them and them niggas that used to pull up in a Benz or the Porshe,
hoppin' out with the birds and the diamonds on.
Yeah I’m cut from that cloth

I hit the game like a dope'd up needle
My first hundred K gave me a seizure

I'm in your veins like a dope'd up needle
Yeah yeah, shootin' dope now you finished
Keep your bitch dope'd up, keep my bitch on dope
All that dope said she love, she spend the brick on the clothes
I told my bitch you better go on and fuckin' whip it
When they play my shit in the club uh, rub your titties
I'm doin' cardio nigga I run the city
Married to the game VVS is on my ring finger
Money talk what it say, I'm made it
Diamonds keepin' pupils dilated
She a queen you ain't know she a fiend huh
She the baddest, she ain't know she a addict yeah
She gettin' money, she ain't know she a junkie tho
All these bitches want is dope, yo

I hit the game like a dope'd up needle uh
I hit the game like a dope'd up needle uh
I hit the game like a dope'd up needle uh

I hit the game like a dope'd up needle uh
