

## Find Out

Tyga

I'm tryna fuck around and find out  
Yeah, drop top, lover and a lamb, got the yams out  
Tryna get you to the fast route  
Heavy on the gas, two fifty when I cash out  
Tryna two-trap, he layin' out  
Damn, ass so fat, she ain't standin' but she clappin' now  
Woah, woah, woah, tell the captain I'm the captain now  
You deserve a stage, schoolin' niggas like a cap and gown  
She got Mercedes class and a body  
Wifey material, let's talk about it  
Let's run it back how I met you in the lobby  
Now I run the globe with you, that's my favorite hobby

Fuck around and find out  
I was good on my own, but now I know what love about  
Found you, then I found out  
Yeah, pour another shot for me, we can celebrate now  
Two shots, I'ma find out  
Yeah, gas to jet for you, we can run around  
Where you wanna go now?  
She get whatever she want  
Fuck around and find out

Fuck around and find out  
She get whatever she want

Birkin, Birkin, Birkin, ain't your birthday  
I spent a hundred bill thrill on a Thursday  
I know you listen what your friends say  
But they wouldn't give a fuck if the roles reversed, bae  
But them your best friends, fuck it, I'll get 'em one  
Just to show another nigga wouldn't get 'em one  
Some respect appreciation go a long way  
Some got the right idea but go the wrong way  
And we choose who we want, let the souls play  
Fuck with me your worse day'll be your best day  
They be choosin' like election day, yeah  
I put twenty-two carats on the ring, you forever straight  
This your party, jewels by Bulgari  
Chrome heart Barbie, pushed start Ferrari  
Don't sip Bacardi, we mix the molly  
Smoke twist, we vibin' on top your body

Fuck around and find out  
I was good on my own but now I know what love about  
Found you, then I found out  
Yeah, pour another shot for me, we can celebrate now  
Two shots, I'ma find out  
Yeah, gas to jet for you, we can run around  
Where you wanna go now?  
She get whatever she want  
Fuck around and find out

Fuck around and find out  
She get whatever she want  
Fuck around and find out  
She get whatever she want

First you get the money, then the power  
Then the girl, yeah, the girl  
(Whatever she want)
