

# Found Someone

Tyga

Don't you know?  
So many things, they come and go  
Like your words that once rang true  
Just like the love I thought I found in you  
But you walked away when I needed you most  
Now maybe, baby, maybe, baby

I found someone  
Who gon' love me good  
Who gon' fuck me good  
Tell me it's all good  
Give me the details so it's understood  
Ain't gotta worry 'bout her, trust me, I'm all good  
Found someone  
Who gon' love me better  
Who gon' treat me better  
And she keep it wetter  
Yeah, keep it warm whether it's cold weather  
If I fall apart, she gon' keep us together  
Found someone

Yeah, she a go-getter, I'ma go and get her  
It was all written  
If she wanna ride with me, I'ma ride with her  
Hundred thou' for the keys and the wrist lit up  
She don't play games and we don't entertain  
Leave that other shit alone, we keepin' the faith  
Cash in the suitcase, straight out the face  
If we slow up the pace, I give her the space (Maybe, baby, baby)  
Stars in the driveway, I give her the Wraith  
Gave you the keys to my heart, don't give it away (Baby)  
If the grass ain't greener, it's better to stay (Baby)  
I let her get away, but it's okay

I found someone  
Who gon' love me good  
Who gon' fuck me good  
Tell me it's all good  
Give me the details so it's understood  
Ain't gotta worry 'bout her, trust me, I'm all good  
Found someone  
Who gon' love me better  
Who gon' treat me better  
And she keep it wetter  
Yeah, keep it warm whether it's cold weather  
If I fall apart, she gon' keep us together  
Found someone

It's me  
I was calling to say I, I love you

I found someone  
We gon' sit and plot  
We gon' set up shop  
We gon' buy the block  
Twin flame, lifetime, partner in crime  
They gon' say you at your best, put you in your prime

It's all cerebral, leave emotions in the deep end  
Don't compare me to your ex, I ain't like him  
Yeah, I'm like that, sink your battleship  
Like a lifeguard, pull up to your dock, dive in (Maybe, baby, baby)  
Don't chime in, let the bells ring  
Let the flowers spring, bring two rings (Baby)  
Be the first queen, I'm the last king (Baby)  
This our thing, let Cher sing

I found someone  
Who gon' love me good  
Who gon' fuck me good  
Tell me it's all good  
Give me the details so it's understood  
Ain't gotta worry 'bout her, trust me, I'm all good  
Found someone  
Who gon' love me better  
Who gon' treat me better  
And she keep it wetter  
Yeah, keep it warm whether it's cold weather  
If I fall apart, she gon' keep us together  
Found someone

Who gon' fuck me good  
Tell me it's all good  
Give me the details so it's understood  
Ain't gotta worry 'bout her  
Found someone  
Who gon' treat me better  
And she keep it wetter (Baby)  
Yeah, keep it warm (Baby)  
If I fall apart  
I found someone  
To take away the heartache  
To take away the loneliness  
I've been feelin' since you've been gone  
Since you've been gone
