Never heard nobody, nobody nah nah nah

I know it's hot and this ice don't help  
Yeah this ice that I got is the kind that don't melt  
(Hold on let this shit keep goin')  
Yeah I be cooler than I look  
My jacuzzi gotta coming back  
And everytime I come around, they say the summer's back  
Are you ready? (Are you ready?)  
But are you really? (Are you really?)  
Are you really ready? To get high and sweaty  
You already know

She love my jacuzzi

They love my jacuzzi  
Ghetto contour untamed sophisticated ignorance  
Never heard nobody, nobody nah nah nah  
I make it hot all in my jacuzzi

I make it hot, I make it hot  
They love my jacuzzi

Hop out and push up on her

We don't think about in on a Monday  
Everyday the week end baby you should and see me
