And it's gon' hit you (Hit you) when I'm not with you (With you)
Wonder will I still miss you (Still miss you) when you're gone
I'm actin' up, city boys up, that's tough (Tough)
How we both met (What?), that was pure luck (Luck)

Machiavellius, all eyes on you (All eyes)
Still thug life, just more money in my life (Life)
No flashin' lights, you ain't strike me as my type (Type)
Baby right, them other bitches all hype
That other guy nice guy, I ain't playin' nice (Nice)
