

Interlude: Missed Call

Tyga

Yo T! It's Ant

It's like my... sixth or seventh time tryna call you today

We get if you picked up or call me back

Spoke to MTV. They're... they're little concerned... we're like
... they're like... you know...

"We've seen him on SnapChat buyin' cars and jewelry. But he's..
. he's not doin' any impressive interviews"

And I'm sure... you know... they see that... they see you in th
e studio too so... look, I know you're workin' on a new mixtape

.

Your main focus is music and puttin' all that out but this is a
ll part of the game, man.

We gotta do interviews and you know, all the little things so..

.

Wait! Hold on!! I'm gonna call hold on uhh.. I see.. I see you
callin' me right now hold on
