

# Kill Tonight

Tyga

Feeling Like Some Patron Tonight  
Yea I Just Got My Deal Tonight Tonight Tonight  
And Them Girls Gonna Howl For Mike  
Full Moon So I'm Gonna Bite  
That's All That's All  
If I'm Wrong Don't Steer Me Right  
What I'm Wearing Can't Pronounce The Price  
The Price The Price  
Ride And Drive Can't Dim The Lights  
So Tell The Sheriff I Just Kill Tonight  
Tonight

[Verse 1:]

Waking Up The Man Every Damn Morning  
A Few Honies Left Right Money  
But Gets None From Me  
My Days Lovely  
Similiar To Rich Clubbing  
Only Last Memories These Leftover Hornets  
My Pockets Some Deposit  
I Rather Plunge It You Got It?  
I Ovedoes It I'm So Redundent  
Since It Come So Often Why Not Offer  
You Want It Work For It  
Ain't No Clyde Cher And Bonnies  
Benz And Harlies  
Cali Niggas Riding  
Outside Fence 'Em  
How I Look At Shit I'm Inside It  
I Take Flights Cause Ain't No Other Option  
Tell The Pilot I'm Flying  
Yes I Am...

[Chorus:]

Feeling Like Some Patron Tonight  
Yea I Just Got My Deal Tonight Tonight Tonight  
And Them Girls Gonna Howl For Mike  
Full Moon So I'm Gonna Bite  
That's All That's All  
If I'm Wrong Don't Steer Me Right  
What I'm Wearing Can't Pronounce The Price  
The Price The Price  
Ride And Drive Can't Dim The Lights

[Verse 3:]

It's Gone Gameover The Hangover  
Just Wanna Do It Over Again Without Tomorrow  
But Don't Go Back Friends  
Cause We Got Benz

Like Fairytales It'll Never End  
The Move I Do It I Live It When I Can  
I'm Vivid My Life Should Be In High Definition  
I'm What You See On Television  
Focus And Listen  
You Wouldn't Want To Miss It For The Would I'm Demirring  
Doc Told Me I'm My Own Prescription  
Myself Would Only Allow The Healing I'm Finished  
Ready To Pop Out And The Mischief  
But Don't Get It Mixed Up Slim
