

Magnetic

Tyga

Girl, don't call my phone up
I know where you've been
You like to get messy when you out with your friends
I'm not scared to say that I'm insecure
But you're too scared to say that you want him more

I think I need to teach you a lesson
Island girl and that body is a blessing
Loaded like a pistol and my sex is a weapon
Met a lot of girls, not a lot I was impressed with
You got something different, got me trippin'
I ain't tryna blow your phone up, send a message
It's magnetic
Something's bringing me closer to you
I said it
All these thoughts on my mind and it's weighin' on my heart
And it's getting kinda heavy
I think it's you, girl
I wanna be the one if you wanna be the one, but it's on you to let me
It's on yo, u girl
I'm just goin' off what I know (What I know)
I know we've been through this before (Before)
But if I ain't getting what I'm owed (What I'm owed)
L'ma have to just let it go (Go)

Girl, don't call my phone up (Uh)
I know where you've been (Uh-huh)
You like to get messy when you out with your friends (I know)
I'm not scared to say that I'm insecure
But you're too scared to say that you want him more

You can't forget me
If you let me in, I know you won't have no regrets
I'm good for you 'cause I bring out the best
Yeah, me make you work 'til you run out of breath
They don't know how we doing it behind closed doors
I love when you go down low
I make you practice 'til you go pro, pro
I take you all in, you take me shopping
You got me coming and I got you falling
Though I fuck you often, I can't get enough
I'm a nympho, baby, you a nympho
No withdrawal
You know this pussy clean, I'm loyal
And even if you die
I make it come back to life like it's immortal
I keep loving me like you don't know me (Love me, love me)
Keep touching me like you don't know me (Touch me, touch me)
Keep fucking me like you don't know me, yeah (Yeah)
And we both know, yeah
This could get serious (Serious)
Or maybe we been up for too long
And I'm gettin' delirious
This could get serious

Oh, oh, oh, oh, oh
Yeah, yeah, yeah

Oh, oh, oh, oh
Yeah, yeah, yeah
Yeah, yeah, yeah
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh yeah, oh, oh, oh
Oh, oh, oh, oh
