Fuck her like it's ten of me, I've been a nasty nigga (nigga)
I got a dope boy's tenacity, cocky like I got ten ki's and they harassing me
Super freak in my passenger, she a superstar and got a bat for me
If I hang up she call right back to me, you cut her legs off she crawl right back to me (Uh)

Addicted like crack to my tenacity
I made a path for all my savages, I'm business savy, see
It must be March 'cause y'all mad at me
It's March Madness and I ball like Kansas City
You against me and the city
You know how many pretty bitches drove me to liquor stores
For condoms and sour liquor straws
I get 'em hot Cheetos just to see her lick her fingers
