

Run It Back

Tyga

Run it back, run it back

Oh baby, I just wanna replay and run it back
I just wanna replay and run it back
Oh baby, every time we play (Every time we play)
Wanna run it like a running back (Run it like a running back)
I just wanna replay (I just wanna replay) and run it back
Oh, baby
I did breadcrumbs, pretty fucked up
Oh, baby

Oh, baby
[?] pom pom
Oh, baby
She just want me to eat that pom pom
Oh, baby
Let's have a replay (Replay)
I'm on it (On it)
Whenever she say (I'm on it)
Whatever she want, she got it
And she gon' shoot 'em down
Oh, baby

Running me to run it up
Lil' some some for the one I want
My number one, my 1 of 1
God and goddess, that's a holy fuck
We at the rich suites, like it's Peachtree
We gon' run it up like floor seats
Nigga got game, I'm like Gucci Mane
She a keeper mane, she go both ways
Make her fall in love, fuck, smoke a blunt
Now when we drunk, wake that pussy up
Too high to sleep, wetting all the sheets
That's a kitty call, just unplug the phone
Gucci bag call, Gucci bag cash
Reaching for my phone, let me record that ass
Let me record that ass
If the shit leak, don't be mad

Oh baby, I just wanna replay and run it back
I just wanna replay and run it back
Oh baby, every time we play
Wanna run it like a running back
I just wanna replay and run it back
Oh, baby
I did breadcrumbs, pretty fucked up
Oh, baby

Oh, baby
[??] pom pom
Oh, baby
She just want me to eat that pom pom
Oh, baby
Let's have a replay (Replay)
I'm on it (On it)
Whenever she say (I'm on it)

Whatever she want, she got it
And she gon' shoot 'em down
Oh, baby

Beat it in the Cadillac, that pussy got me sidetracked
Like Kylie I'm with Tyga, we the perfect match
Put it in the belly, she feel the impact
Put it in her chest and make that hoe get hollow
Shawty pussy wet, are you gonna take off your clothes?
Take a ride with me, I'll help you see what you lost
Anything happen here, anything goes
Money on the counter, Versace couch on the floor
I got big booty bitches shakin' ass by my door
Heated marble got lil mama ridin' tip-toe
My brother a Tyga, I'ma go
Let's have a replay (Replay)
I'm on it (On it)
Whenever she say (I'm on it)
Whatever she want, she got it
And she gon' shoot 'em down

Oh baby, I just wanna replay and run it back

Oh baby, every time we play
Wanna run it like a running back
