

# Stimulated

Tyga

Fuck what they talkin' 'bout  
All a nigga hear is my chains clinkin' back and forth right now, nigga  
Fuck with me

Why the fuck you so opinionated?  
Sayin' how you do it but they ain't did it, baby  
You need a demonstration  
This is how you get richer, baby  
I'm stimulated  
I'm at the bank, I'm penetratin'  
I'm puttin' in, I'm penetratin'  
I'm gettin' big, I'm stimulated  
I touched the bitch, she disintegrated  
Up in flames, I've been the flamest  
I've been the hottest, you've been the lamest  
I've been on the plane, you've been complainin'  
Fuck the codefendant, pistol whip the plaintiff  
Hit the mall, then we skip arraignment  
They say she young, I should've waited  
She a big girl, dog when she stimulated

Hit Sin City and syndicate it  
All the time on the strip in Vegas  
I got the juice but I ain't Minute Maid it  
But a nigga made it just minutes later  
Shut the fuck and let me finish, baby  
I'll let you finish later  
Why the fuck you so opinionated?  
Yeah you book smart but don't be gettin' paper  
Shootin' craps at The Wynn  
Gettin' back to back wins  
Made 20 bands playin' features  
And I don't need a feature for this  
Nigga I'm T-R-A, triple double  
Every time I ball, man that's triple double  
Tom Ford, Balmain, that's triple stuntin'  
Tryna get a nut only gets you nothin'  
So I don't give a fuck who these niggas datin'  
Tsunami the Rollie, my wrist is flooded  
How the fuck can these niggas hate it  
When these bitches love it, man this shit is funny  
All I can do is laugh, all I can do is laugh  
They try to count me out, all day I'm doin' math  
All I can do is add, multiply, multiply  
All day I'm doin' math, but we won't divide  
You ain't got the flow, you ain't got the heart  
You be on your mark but you're never ready  
You just talkin' shit, I can smell your breath  
Sayin' what you do, but can't help yourself

So why the fuck you so opinionated?  
Sayin' how you do it but they ain't did it, baby  
You need a demonstration  
This is how you get richer, baby  
I'm stimulated  
I'm at the bank, I'm penetratin'  
I'm puttin' in, I'm penetratin'

I'm gettin' big, I'm stimulated  
I touched the bitch, she disintegrated  
Up in flames, I've been the flamest  
I've been the hottest, you've been the lamest  
I've been on the plane, you've been complainin'  
Fuck the codefendant, pistol whip the plaintiff  
Hit the mall, then we skip arraignment  
They say she young, I should've waited  
She a big girl, dog when she stimulated

She a big girl, dog  
Fuck what they talkin' about, nigga  
She a big girl, dog  
I'm gonna do what the fuck I wanna do when I wanna do  
She a big girl, dog  
I'm puttin' in, I'm penetratin'  
I'm gettin' big, I'm stimulated

Might take her home, gon' and dinner plate it  
I don't heat it up, don't microwave it  
She already hot, she sizzle baby  
No salt and pepper, she been the flavor  
I'ma stimulate her, yeah simple, baby  
Fuck with me, then I fuck with you  
You don't fuck with me, my nigga fuck you too  
She a big girl, dog  
She a big girl, dog  
She a big girl, dog  
I'm puttin' in, I'm penetratin'  
I'm gettin' big, I'm stimulated
