

Toot It N Boot It

Tyga

Well it's that big bad banger
See the dick is what I'm slanging
YM entertainment
She goin toot it cause I'm famous
I'm a well known singer
Every beat get strangled
Tyga got stripes, motherfuckin Bengal
This that stop drop and roll
You ain't know it let me show you
Beat it from the back bitch
Now your nickname Toby
Used to be my cuddy buddy
Now we can't be friends
Heard she got game, well
Well it's that big bad banger
See the dick is what I'm slanging
YM entertainment
She goin toot it cause I'm famous
I'm a well known singer
Every beat get strangled
Tyga got stripes, motherfuckin Bengal
This that stop drop and roll
You ain't know it let me show you
Beat it from the back bitch
Now your nickname Toby
Used to be my cuddy buddy
Now we can't be friends
Heard she got game
Choo choo train, oww
Make your toes hit the ceiling
Let her run, house
But my name ain't Diggy
Old enough show me titties
Poor bitches sayin' gimme
I'm not a white man
I ain't coming down no chimney
Put my tongue in yo pop
French kiss kiss
Like the french do on my fry
Ha ha, yea I got you laughin' at me
Cause the way I make you cum is so flabbergastin'
Spazz spasm, Mr organism
Fuck with me guaranteed that you goin' have one
Clap clap, Well Done, when I tap that
Tap dance like bojangles
In the dash yea
Black man on the rise
So please step aside
You ain't seen an agent this fly
So tootsie roll bitch
Then I hit that butterfly
Yea pop that, let me see that monkey
The dick in yo mouth
Don't be a bonehead
Put it so deep, now she a cone head
I say I put it so deep, now she a cone head

That used to be my favorite movie I remember watchin that shit
Yea
Toot it n boot it around here
I say I ain't have sex in a long time
I say I ain't have sex in a long time
I say I ain't have sex in a long time
Oh we having sex tonight
