

# U Cry

Tyga

Yeah we always go back, back, forth and forth  
Yeah we always go back, back, forth and forth

Two missed calls from you, yeah  
The party must be over  
Every time you go out  
Yeah, it gets you nowhere  
I been waitin' right here  
Still I been everywhere  
And it's like June now  
But I love you like February  
Tell me about the stories, all eyes now yeah  
Tell me I don't have to worry about those guys now  
I get insecure  
But I never been insecure before right now  
I, I, I, I, I  
I'm out my, my, my, my mind  
You break me down, you build me up  
You take it all, just to fill me up

And you do it like you like to hurt me  
Is this what you need to feel better?  
Is this how you act when you know we're forever, yeah  
And you can come back whenever  
This the last time I'm gon' let you, yeah  
I know that what I said to you last time  
But you cry, I cry, we cry oh yeah  
We cry together

When you cry, I cry  
We cry together  
When you cry, I cry  
We cry together  
When I cry, you cry  
We cry together  
When you cry, I cry  
We ride for whatever, yeah

On lonely nights, you callin' me  
Yeah you're callin' me, yeah yeah  
But so many days you're ignoring me  
Yeah normally, yeah yeah  
Now am I talkin' foreign  
When I say I miss you?  
Or maybe your phone was on silent  
But your phone is always with you  
And the one who put tears in your eyes  
Is the same one there when they dry  
And we haven't touched all night  
But your words hit hard when we fight  
Ah, ah, ah, yeah I try  
We could be good without the byes  
Same one who put tears in your eyes  
Is the same one there when they dry, yeah yeah

And you do it like you like to hurt me  
Is this what you need to feel better?

Is this how you act when you know we're forever, yeah  
And you can come back whenever  
This the last time I'm gon' let you, yeah  
I know that what I said to you last time  
But you cry, I cry, we cry oh yeah  
We cry together

When you cry, I cry  
We cry together  
When you cry, I cry  
We cry together  
When I cry, you cry  
We cry together  
When you cry, I cry  
We ride for whatever, yeah

Two missed calls from you, yeah  
The party must be over  
Every time you go out  
Yeah, it gets you nowhere
