

# VACATION

Tyga

Bitch, why you keep on callin' me?  
Blowin' my phone, it's on vibration  
I been goin' so hard, party like a rock star  
I need a vacation  
Sittin' at the top, niggas wanna take shots  
They just want my situation  
I need a vacation, niggas wanna test my patience

Niggas wanna pop off, I'ma take the top off  
Nigga, this inspiration  
T-raw, movie star, how dog?  
Got a few actresses in rotation  
Might gotta run for the mayor  
Need a Hollywood star, nigga, stop deabtin'  
Diamonds on me, hydration  
I'ma shit exclamation  
Niggas wanna be like Mike, fly like Mike  
Wanna be cold as ice  
Wanna take flight form the free throw  
Niggas ain't cut throat, nigga, I roll the dice  
Two, four, seven, three, six, five, nigga, I shine  
'Cause I grind like every night  
Whoa, vibe, oh, my

I need a trip to Jamaica, yeah  
Baddie in the water, no makeup, yeah  
I need a house on the sand, forty acres in the back  
Matter fact no neighbors  
I'm a black rainmaker, ex-heartbreaker  
Niggas overslept on me now it's time they wake up  
Lookin' for a favor on a boat full of haters  
Tryna float, I am not a lifesaver  
Look at the flow, ay  
Look at the dough, ay  
Look at my glow  
Who can I trust? Ay  
Who can I love? Ay, ay, me  
I need confirmation, big standin' ovations  
Million dollar conversations  
On the line with Live Nation
