

## Well Done 2

Tyga

Well, Well done! Well, Well Done! Well, Well Done!  
Finish Him!  
Well, Well done! Well, Well Done! Well, Well Done!  
Finish Him!

Treat my dick like a dog bitch fetch  
I put it down your throat then I buss it on your neck  
T-killer I'ma mess homer simpson in the flesh  
Yeah I'm doper then syringe fuck yo bitch and all her friends  
Make amends for all my sins I ain't trippin on a bitch  
I'm a bull give me wings too many tats on my skin  
You know my rank nigga if you speakin' come proper  
Hit you with a shot like boom shaka laka  
Knock your ass to your feet like too much vodka  
I'm hotter than a 2 dollar pistol from a Rasta  
Yeah they call me Tyga with a heart of Mufassa  
Nigga I ain't lyin, hard to find like a fossil  
I'll be outta here king shit like Cairo  
Asian nigga kick you in the face tai bo  
I'm rising with the heat on these niggas like pyro  
I'm just freestylin a nigga young and wildin'  
Lord I done suffered thru too many years  
And we done shed so so many tears  
Lost many peers no memories  
Just misery killing all my enemies  
fuck her til she can't see fuck until we can't breath  
Knock knock who there, dez nuts in your face  
Bitch I'm eatin get a plate  
All my niggas do the same most my homies hoover gang  
Uh Larry Hoover, Lawrence Taylor, giant glocks  
Patch your eye like a raider  
Too many bitches call it pussy mania  
Niggas tryna ball, swag, I don't do favors  
Pac shit middle finger, finger fuck who ever hating  
I'm the shit ya'll niggas constipated  
fuck yo bitch its easy even to a caveman  
I'm good, make it, make it rain til the roof cave in  
85 laker, high rise, purple lasers  
Marc Jacobs famous like the morning laser  
No patients leave her in the lobby waiting  
Vacation nigga I ain't talking Vegas

Well, Well done! Well, Well Done! Well, Well Done!  
Finish him!
