

Letter from L.A.

Tygers of Pan Tang

Through my door
Come a letter
I expected
Something better.

You've got my number,
So why not call.
You said you loved me
After all

I got a letter from L.A.
She said there'll be a slight delay.
I got a letter from L.A.
That broke my heart.

Can't help feeling
So dejected.
Feels so sad
To be rejected

So you like the sunshine.
You've made lots of friends.
Goodbye in a letter,
Is that how it ends.

I got a letter from L.A.
She said there'll be a slight delay.
I got a letter from L.A.
That broke my heart.

Everything we planned to do,
All we planned to see
The things I wanted to give to you
Have been thrown back at me.

I got a letter from L.A.
She said there'll be a slight delay.
I got a letter from L.A.
That broke my heart.
