

# Adderall

Tyla Yaweh

Yung Lan on the track  
Hunnid bands for a kilo nigga  
Yeah

I'ma feed these bitches dick and Adderall  
She know that I got these hoes but she gon' fuck me after all  
She told me she love me but I don't believe it, not at all  
Bitch I'm GTM, been Getting This Money, know I gotta ball  
In love with the hustle but you know I am so heartless  
No matter what come my way, I'm gon' be straight regardless  
I had to separate from all these frauds just like a college  
I gave my bitch away to one of my homies 'cause she boring

Why this girl keep calling me?  
Now that I got these drugs in me  
There's no cuffing me  
One night stands and company  
All my niggas slatt, slatt, big boolin'  
I don't fuck with rats, I hit 'em with the tooly  
Mama getting mad 'cause I didn't have 'em schoolin'  
Sliced the top off the Bentley, I'm ruthless  
Diamonds dance and them rubies be moving  
No chains 'round me, these bitches so clueless  
Are you drunk? Are you high? Are you stupid?  
Poured a four in my cup, got me drooling  
Get some head and I go straight to sleep  
Neck so good I don't think she got teeth (Yeah)

I'ma feed these bitches dick and Adderall  
She know that I got these hoes but she gon' fuck me after all  
She told me she love me but I don't believe it, not at all  
Bitch I'm GTM, been Getting This Money, know I gotta ball

Girl be quiet  
You get too excited  
And you talk too much you gon' get me indicted  
Why you talking out your neck, I caught you lying  
Never trick on no hoe, I ain't buying  
Got some weight on my chest so I keep me a vest  
She gon' shoot at my heart, do it with no regrets  
She gon' give me the sex 'cause a nigga so rich  
This is why I don't put no more trust in no bitch

I'ma feed these bitches dick and Adderall  
She know that I got these hoes but she gon' fuck me after all  
She told me she love me but I don't believe it, not at all
