

# Got It Like That

Tyla Yaweh

Pose for the flick, yeah we got it like that  
Show off the drip like we got it like that  
Know what it is, we just poppin' like that  
Yeah, yeah, yeah, yeah we got it like that

Aw yeah, yeah we got it like that  
Yeah, we got it like that  
(Do your little dance) If you got it like that  
Aw yeah, yeah we got it like that  
(Make 'em understand) That you got it like that

Can't no one get on our level  
Gotta stay fresh from the head toe  
Everyday vibes, no it ain't no flex  
Yeah we been up, now they all upset  
Don't miss no shots when we take them  
They come to us, we don't chase them  
When you dislike you don't need no stress  
Whole team good couldn't be more blessed

One thing you should know  
Is the art of letting go

Pose for the flick, yeah we got it like that  
Show off the drip like we got it like that  
Know what it is, we just poppin' like that
