

Paradise

Tyla Yaweh

Ah-ah-ah
Ah-ah-ah
Ah-ah-ah
Ah-ah-ah

You-ooh-ooh
I can't get away from you
Paradise is miserable
Without you-ooh-ooh

You-ooh-ooh
I-I was a place for you
Paradise is miserable
Without you-ooh-ooh

You been on my mind, baby
Let's spend a little time, baby
I got you-ooh-ooh, I got you-ooh-ooh
Ayy, all we need is love, baby
We don't need drugs, baby
We don't need drugs, baby

I can't get away from you
Paradise is miserable
Without you-ooh-ooh
You-ooh-ooh

'Member what you said just that other day
I need you close just to feel so safe
Every time we argue, gotta hold my breath
Every time you leave, you gotta take two steps
You said it's a whole lot of weight
See it in your eyes like it's night and day
I still hold that pain
Hold that weight on my shoulders, ooh

I swear, you
I swear, you know my will
You know my heart, oh (My way), ooh-ooh (My way)
Ooh-ooh

I can't get away from you
Paradise is miserable
Without you-ooh-ooh
You-ooh-ooh

You-ooh-ooh
I-I was a place for you
Paradise is miserable
Without you-ooh-ooh (Without you-ooh-ooh)
